08/338	Eamonn McKenna & Liam Dalton,	P	09/10/2008	(A) Build an office suite (1045 m2 approx.), inside the proposed warehouse building which has been permissioned under Planning Reference No. 08/39 (dated 27/05/08) on a site adjoining Unit 301, together with the associated modifications to the Warehouse elevational facade. This will replace the external office building of the planning permission as is referenced herein. Planning Permission will also include for the associated external car parking requirement, the associated site works and the associated services installation. The Planning permission will also include for the building of a small communications room (36 m2 in floor area) to the rear of the proposed warehouse building and also an outdoor smoking cubicle to the side of the proposed warehouse building. (B) Build two overhead pallet conveyor transport systems. Both systems will be from the proposed warehouse building (that of Planning Ref: 08/39 - 27/05/08), through to Unit No. 301 to the east and through to Unit 27-35 to the south (over existing estate road). Both systems with all the necessary services installations and all associated siteworks through the length of the systems - including entry/exit of the conveyors to both existing buildings(Unit 301 and Unit 27-35) at their ground floor levels Ivax International BV Sites, Waterford Industrial Park, Ballynaneeshagh,
